COMPANY PROFILE

ABOUT FCON CIVILS

Our success generates from a steadfast commitment to our client's vision and a culture of integrity, leadership and loyalty. At FCON Civils, we transform the construction experience through creation of an environment that fosters collaboration and project team engagement.

CORE VALUES

Our success generates from a steadfast commitment to our client's vision and a culture of integrity, leadership and loyalty. At FCON Civils, we transform the construction experience through creation of an environment that fosters collaboration and project team engagement.

SAFETY

Creating a safe and productive work environment is priority. We never compromise safety at FCON Civils.

QUALITY

At FCON Civils, we strive to adhere to the highest standards of excellence and quality. Our team is challenged every day to do the best we can according to the required processes, procedures, and customer requirements.

INTEGRITY

Our word is our bond with one another, as well as our customers. Doing what we say we'll do every time. The only way we operate is through honestly and reliably.

RESPECT

At FCON Civils we operate with due regard to the wishes, feelings, contributions and opinions of others.

MISSION

FCON Civils' mission is to provide the highest-quality workmanship possible.

We succeed at this because of the integrity of our subcontractors and staff, our commitment to a solid work ethic, and our passion for staying current with the newest innovations of our industry, with consideration to identify and mitigate all the environmental impacts arising from our activities and comply with applicable environmental norms.

We strive to be a leading construction company in the local and global market and to become the customers' preferred choice by attaining excellence in quality and timely completed value added projects. We further strive to continually innovate, develop and adopt state-of-the-art technology in methods and materials to enhance productivity and cost effectiveness, and to continually improve the competence of our team. We employ diverse, innovative & results-oriented personals, motivated to deliver excellence.

VISION

To be the leading brand in construction recognised for quality and innovation, supporting our staff and the communities in which we work, by being the contractor of choice in our market.

To establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the FCON Civils construction team.

FCON CIVILS SERVICES

CONSTRUCTION

As a contractor in general we undertake foundations, carpentry, drywall, plumbing, painting, tiling, electrical, ceiling, and civil work. Our dedicated team at FCON Civils has completed various projects in the following industries:

1. Renovations for corporate and residential,
2. Industrial and warehousing,
3. New buildings – residential and corporate.

CIVIL WORKS

The advance capabilities of FCON Civils cover a wide range of civil engineering, namely general concrete works, equipment foundations, structural floor slabs, substation steel assembly, installation of reinforcements, water reticulation and allied services.

EARTHWORKS

FCON Civils provides earthmoving services that include embankments, dams, ditches, excavation pits and backfill, as well as suitable measures for improving the subsoil, such as soil replacement and soil improvement using suitable construction materials such as geosynthetics.
